

At Panama Pacifico, there's something good for every company.

SPECIAL
ECONOMIC
AREA

At 3M, our goal is to add value to our clients by bringing their products to market as quickly and efficiently as possible via streamlined operations. That's why we analyzed logistics capacity, location and any incentives offered in the various countries where we operate, so that we could increase our value-add proposition.

For us, Panama Pacifico is a combination of value-added location and benefits that helps us facilitate our operations with the best efficiency.

Gustavo Angulo

Managing Director
3M, Central American Region
